Who is Ina Machi Yu Yu Circle?

**In hope of creating a city where citizens, regardless
of their nationalities, can count on each other.**

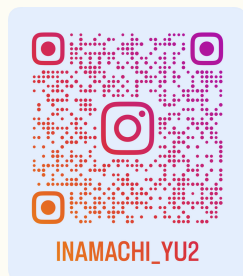

Did you know that 1 out of 35 people in Ina City is a non-Japanese national? We would like to help create a connection between the neighbors of our community, regardless of their nationalities, so that we can rely on and help each other. We are having monthly events since March of 2023 for our neighbors to meet and get to know each other.

Please invite your neighbors, Japanese or non-Japanese, and come to our event!

Organized by Ina Machi Yu Yu Circle (Yu遊play + Yu結connect)
